Today we're going to take a look at new options for Storm Knights who choose to fight the Cyberpapacy from within the Church itself.

Cyberpriests

In addition to the history and tenets of the CyberChurch, those who follow the religion of the CyberChurch but believe that it has been corrupted right to the top have additional miracles they can invoke. Here's the updated list of miracles for the CyberChurch:

Champions of God

Some members of the Church take a more martial stance to their faith. These warriors, and members of the Knights Templar can become a Champion of God, courtesy of a new Perk:
